TRANSMISSION: AUTOMATIC

TRIM: COUPE ENGINE: 8

CONDITION: USED

DESCRIPTION/OPTIONS: 1967 Pontiac Le Mans - 326 V8, automatic, factory bucket seats, floor shift console, 4 barrel carb. , but I have the original intake 2 barrel carb. all new brakes, shocks, door rubbers, weatherstrips. This is a true survivor Le Mans. It has most of the original paint but there is some pappa's patina on it. All kinds of options for this car. Keep it as a driver to chase ice cream and go to car shows, paint it and increase the value over 10k or turn it into a GTO clone and double the value of it....This car runs great. Goes down the road as it should. The most recent owner that I got it from did a lot of recent work to it. It is a very nice survivor that is priced to sell @ only \$
